Dear guest, welcome and thank you for choosing the Casa di Berenice.

I am writing you some information to make your stay more pleasant.

Given the current situation linked to covid, we have set up, for your safety, the self-check-in service by installing a safe at the entrance with the keys to your room.

In the entrance hall you will find an infrared thermometer for measuring the temperature.

In case your temperature is higher than 37.5 ° DO NOT ACCESS THE ROOM, GO OUTSIDE THE PATIO FITTED WITH THE MASK AND CALL ME TO ACTIVATE THE ANTICOVID PROTOCOL.

I remind you that the use of a mask is mandatory in the common areas

To facilitate the registration operations, mandatory by law, I ask you to send me a copy of the identity document, front / back, of yours and of your possible travel companion, by email [lacasadiberenice@gmail.com](mailto:lacasadiberenice@gmail.com) or by whatsapp +39 353 4250133.

To complete the registration operations, you will find in your room the contract / receipt for your stay and the privacy model, both to be signed at the entrance and left in the box in the entrance hall.

### Check-in and check-out times

Check-in from 15:00 to 20:00

Check-out by 10:00

On the day of departure, which must take place by 10 am, leave the keys on the table in the room.

During your stay, for your greater safety and convenience, when you leave, you can always leave the keys in the safe at the entrance and use the same combination for your entire stay.

In case of loss of the keys call me and you will receive instructions to access your room.

The loss of the keys will lead, in spite of myself, to a charge of € 50.00.
